*GIT, JAVA, Gradle/Maven library, Selenium IDE, POM, Cucumber

Faculty of Engineering, Obtained 1. level professional highest education in Mechatronics,
Vidzeme University of Applied Science
09/2012 – 07/2014 | Valmiera, Latvia

🧠 Skills

C# .NET

Git, GitHub

Unit Testing/ TDD

HTML&CSS
Basics

JavaScript/TypeScript
Basics

Angular

Clean Code, SOLID

Manual, Automation Testing
Have understanding about testing, test plans

📑 Courses

HTML & CSS crash course, *Scrimba.com*

Learn JavaScript, *CodeCademy*

🌐 Languages

Latvian *(Native)*

English *(Understanding: very good, Speaking: good)*
